

MCG Cottage Access May 2021

The committee have recently reviewed the way in which members can access our facilities taking regard of the planned relaxation of the government's pandemic restrictions and guidance.

The government guidance here

<https://www.gov.uk/guidance/covid-19-coronavirus-restrictions-what-you-can-and-cannot-do>

states that from the 17th May either 6 people (the Rule of 6) or 2 households can meet indoors. Until the 21st of June there is a limit of 30 on the size of any outdoor gatherings.

So, from the **17th May** until the **21st June**, please observe the following:

1. Members who want to use our indoor overnight accommodation should pre-book online. For any one night, we will accept bookings consistent with the 'Rule of 6'. That is, six individuals from six households, or two households comprising more than six people. Our assumption is that the people staying overnight indoors will form one indoor 'group'.
2. Members wanting to camp overnight in the grounds of the Cottage should pre-book online.
3. Members wanting to make a daytime visit to the Cottage should pre-book online.
4. All visitors should observe the 'Rule of 6' inside the Cottage. This may mean forming separate 'groups' that do not mingle indoors. Groups should use separate showers and toilets (we now have two shower rooms).
5. You no longer need to make an online booking to access our Tackle Store.
6. Please register your visit to the Cottage or Tackle Store using your NHS app with one of the QR codes displayed. Please also ensure that you swipe your access card or fob on the Cottage or Tackle Store sensors.
7. Club equipment no longer needs to be quarantined in our Drying Room. The Drying Room can now be used for its intended purpose.
8. We hope to remove all restrictions from the 21st June. After that date, parties over six wanting to stay overnight should still pre-book (as in the past).
